

DEEP-GAS

MD-GAS WG2 & WG3 meeting
Madrid - UAM, 4 – 7 October 2022

Certificate of Attendance and Oral Communication

Branislav Milovanović

has participated in the conference “Dynamics of Energetic & Electronic Processes in molecules and clusters in the GAS phase” – DEEP-GAS, held in Madrid (Spain), from October 4th to October 7th 2022 with an **oral communication** entitled “Formation of Cyclobutane Dimers from the Solvated Uracil Stacks”.

The organizing committee of DEEP-GAS 2022.
